## LOOKING AHEAD

We are pleased to be involved in the planning of the community festival for Pettigo & Tullyhommon. Taking place over the weekend of the 7th - 9th July, "The Saints & Sinners Festival" will have something for all the family. Activities will include a street market, mud run, live music in the pubs plus all the favourites including sheep shearing. Proceedings kick off here in the Termon Complex on Friday 7th July with the Saints & Sinners Ball featuring live music by the Drunken Lullabies. Check out the Saints & Sinners Festival Facebook page to keep up to date.

## MUGA IMPROVEMENTS

In late 2016 the MUGA here at the Termon Complex benefitted from some improvements. The playing surface was refurbished and holes which had appeared in the playing surface were repaired. The fence on the car park side of the MUGA was raised higher to prevent the inconvenience of balls being lost during play. These improvements represented a considerable investment and therefore following these enhancements, charges for all users of this facility were introduced. Children and youth users now pay €1 per player per hour. This rate applies during daylight and evening time with floodlights. The pitch is available for group bookings at a cost of €20 per hour (daytime) and €30 per hour with floodlights.
